It is the fastest and easiest way to kill time. Comments and ratings for Snail Puss 4 (5 stars) by Mark Henderson I have been playing this game for about 4 days now, and I am addicted. There are 6 difficulty levels, and a bonus level. I also think it would be nice if there was a second life or something. :) (5 stars) by Kevin Womack Its just a good puzzle game if you have 10 minutes to kill.It works on xbox 360 and wii u and it has online leader boards. (5 stars) by A. Smith I love this game. I can play it for hours. You can play at your own pace and move on to the next level if you are having trouble. This is the only game where I have actually started crying while playing. Thanks for a great game. (5 stars) by Dustin Lemke This game is simply amazing! There are so many different modes and settings that I can't imagine ever getting bored of the game. It's addicting and I can sit there all day and come home and just start right back up. I feel like this game is comparable to some of the most popular puzzle games such as Tetris, Puzzle Quest, and many more. I can't believe that this game is FREE!! (5 stars) by Phixer This game is great. It has endless gameplay. You can try different tactics to get through levels. It is an easy game to pass the time.Q: C# and SQL Server at the same time? I am trying to read data from SQL Server into a C# application, but I'm not sure how to do that. Do I have to somehow start SQL Server and then have my C# program connect to it? I'm pretty new to this stuff, so any help is appreciated. A
