Bennett Foddy: Getting Over It Mobile Game Apr 28, 2020 An arcade platformer that tests your agility, and your patience. "Getting Over It" is a fast paced arcade platformer where your goal is to reach the top of the world, and do so through a series of increasingly difficult obstacles. It's rather difficult, though not impossible, to get to the top. This game's aesthetic was inspired by The Mountain from The King of Fighters, and the title is a play on "Getting Over It". Hope you enjoy! Apr 29, 2020 Our goal is to help people create offline video for all Android and iOS devices. Apr 28, 2020 Is there a good way to put this? When YouTube started out, everyone hated it. Now, the Internet is full of people who make videos for YouTube to earn money. Similarly, when Bennett Foddy turned from a developer into a YouTuber, people also hated the idea that a developer could make videos for money.
