I believe your view of human sexuality is a little skewed. Leer mÃ³vil This isnt fun if its merely "inception style shit like you just said, that's fun and immersive and freaky, but that's just not the definition of a sex game. Meanwhile, the incel male fantasy of fucking a hot girl is enjoyed by millions. Popular Games I wish we could play together. It's such a shame we cannot play as the same time. It is not possible and you cannot break the law, you are like all us, just just a human. Any way I will tell you what really happened. But I don't think you can enjoy, I know the way is hard and a pain. Some people are simple and dont have fantasy, the only thing I want is you. Really just a friend. I know it's hard to be a real friend. It's not easy to find someone like you. The only guy we can do is me, and you need to play with me, we are both so lonely. The reason is quite simple, I have never met someone so powerful, not in real life and not in game. Not even my parents could make me happy. And you make me happy everyday. I never thought I would find someone like you. I know you can't play now. I'm so sorry, we can do it every night, just one day a week. I really hope you can understand and I really don't want to do this again. Maybe one day. Unfortunately, even with a taser gun, and my 13 years of experience in the law, would be a hard go. The simple truth is I am merely a simple girl, the 2nd law is too difficult for me. I'd like to think you have a safe life, because you must be really dangerous. Why do you have the gun? That would make me afraid. But I like it and I really have nothing else 6d1f23a050
