Sep 9, 2016 - According to Hindu philosophy, the only "higher" activity a person can engage in, besides doing selfless, fruitful acts, is to seek and . - But Hindus are not embarrassed by this. In their religion there is such a concept as "karma," which means fate. According to this doctrine, man himself creates his own destiny and therefore all the actions he has performed during his life, and even the thoughts of what he has done or what he has done.
