Roofs in the Crack Templates dialog box. In fact, the porosity of roofs is caused by a very large number of small cracks and holes. DesignBuilder models are ... - ... not just home design programs. It's something more. - What do you mean? - It's... - ... it's... - I can't tell you more until I see it myself. - Why? Does it have something to do with those plans that go under the numbers? - Maybe. - But why? "I can't tell you that. - You... - Wait. - Good. "I can't tell, but I promise that if you find out, you won't be disappointed for long. You sound like a swindler. - Not at all. There are so many amazing things about Roofs.
