### **AVRPioRemote**

1) KEYMACRO can be used to control Pioneer receivers from PC. 2) Supports up to 8 remote controls. 3) Optionally supports up to 32 remote controls. 4) Supports all functions of Pioneer remote controls. 5) Can change and activate the channels of receivers. 6) Can adjust the volume of receivers. 7) Can adjust the subwoofer volume. 8) Will not install the Pioneer receiver. An easy to use solution for controlling your DVD, DVD-RW, DVD-RAM, CD, and CD-RW. It is designed to be the "invisible" remote control. It works with a wide range of devices including the DVD, DVD-RW, DVD-RAM, CD, and CD-RW. Each device has separate drivers installed on the computer. You simply need to launch the application (DVD, DVD-RW, DVD-RAM, CD, CD-RW) and then click "Ok" to accept the driver installation. Within seconds the application is up and ready for use. Remote Control Software for Pioneer DVD-RW/DVD-ROM, DVD-RAM, CD, CD-RW and LITE Zap! TV Remote Control is a simple and powerful TV remote control. Control up to 4 TV receivers. Zap! TV Remote Control is designed to be an invisible remote control. You simply launch Zap! TV Remote Control and then click "OK" to accept the driver installation. Within seconds the application is up and ready for use. Zap! TV Remote Control has a neat interface. You are presented with two panes, one for each device. Remote Control for remote controls (TV, DVD, MP3, DVD) We have added many new features to the original Ultimate DVD Remote Control. This new version has much improved control of multiple

receivers including remote controls. You are no longer limited to controlling only one device at a time. It's now possible to control multiple DVD receivers with your existing remote controls. PowerDVD Remote Control features a simple interface. When you launch the PowerDVD Remote Control and select your Pioneer receiver you are presented with two panes, one for your Pioneer receiver and one for your remote control. The same approach is used for controlling both stereo and home theater receivers. By selecting the "Connect to TV" you are presented with three choices: 1) Connect to TV 2) Connect to TV with other receiver 3) Pass-through For PowerDVD Remote Control to connect 2edc1e01e8
